- Verify dimensions of parts machined for accuracy and conformance to specifications
- Participate, suggest, and look for ways to contribute to continuous improvement activities
- Have a proactive attitude towards health and safety, follow all company policies/procedures to ensure safe operations of all duties
- Assist other departments as needed

Qualifications

- Registered in the Machinist Apprenticeship Program
- 1-3 years of related experience
- Good mechanical aptitude
- Ability to read and interpret engineering drawings, charts, and tables
- Show an attention to detail, a respect for processes and instructions, and have a results-oriented mindset.
- Working in a team environment
- Willing and the ability to learn
- Computer use
- Strong commitment to working in a safe manner
- Must have reliable transportation to Bassano facility
- Willingness to alter shift times as required by production demands
- Must be legally entitled to work in Canada

What We Offer

At GPT we care about the personal job satisfaction of our employees. We recognize the wide variety of factors that contribute to this satisfaction and encourage work life balance. Along with competitive compensation and benefits packages, we offer a respectful work environment, one which provides our employees with valuable learning experiences and career growth opportunities.

To Apply

Please submit your resume and cover letter to HR@globalte.com quoting the job title in the subject line and tell us why you are the best candidate for the job. We thank all applicants for their interest, however due to the volume of anticipated applications, we will be responding only to those candidates who are contacted for an interview.
