### Responsibilities

- Provide Quality Assurance leadership and direction to production staff, management, and leadership.
- Work collaboratively with operations to develop and implement a QA/QC program that is aligned with and supports the strategic goals, initiatives, culture of the company and improve outcomes across the organization.
- Proactively identify, mitigate, manage, and report business Quality risks and opportunities.
- Effectively and efficiently allocate QA/QC resources to projects/initiatives as needed in a cost-effective manner.
- Ensure internal and external customer needs are supported.
- Audit and inspect production activities and monitor work in progress.
- Recommend, implement and assist with preventative measures to ensure quality is maintained.
- Create and present non-conformance reports.
- Identify issues and monitor corrective actions.
- Enter data, complete forms/reports and keep accurate and complete records.
- Prepare, organize and facilitate internal and external audits
- Provide QC training to employees as required.
- Support and promote GPT's culture, values and business strategy.
- Build tools, KPIs, and procedures to assist with making quality related decisions.
- Assist with root cause analysis and resolution of issues.

### Requirements

- Working knowledge of QA/QC processes and systems, preferably in an equipment manufacturing or operations settings
- 5+ years experience and/or in combination with a degree/diploma in a relevant discipline.
- ISO 9001 QMS experience)
- Strong understanding of lean manufacturing
- Continuous improvement mindset with ability to identify process inefficiencies and implement improvements.
- Ability to show good judgement, flexibility, results-oriented, able to work with minimal supervision
- Manage and adjust priorities and react adequately to unforeseen events in a fast-paced environment.
- Possess leadership, active listening and ease with interpersonal relationships.
- Internal audit experience is an asset

### What We Offer

At GPT we care about the personal job satisfaction of our employees. We recognize the wide variety of factors that contribute to this satisfaction and encourage work life balance. Along with competitive compensation and benefits packages, we offer a respectful work environment, one which provides our employees with valuable learning experiences and career growth opportunities.

### To Apply

Please submit your resume and cover letter to [HR@globalte.com](mailto:HR@globalte.com) quoting the job title in the subject line and tell us why you are the best candidate for the job. We thank all applicants for their interest, however due to the volume of anticipated applications, we will be responding only to those candidates who are contacted for an interview.
